

PLANNING YOUR DAY

We're delighted to welcome you to the University of Reading and hope that today will give you a real taste for life here.

Your first stop of the day: the Open Day Marquee

The Marquee, marked with an **i** on the map, is your registration point on the Whiteknights campus – and where you'll be able to speak to staff about how to make the most of your day.

You'll also be able to talk to experts about Admissions, Accommodation, Student Finance and more! The Marquee is open from 09:00–16:00 and you can return at any point throughout the day.

Questions?

If you have any general questions about the University and the Open Day, head to our general information point, marked with an **i** on the map.

Focus on your subjects of interest first

Open Days give you a great opportunity to explore the courses you might like to study.

Drop into your department for an introduction to your subject. You'll have the chance to meet academics, chat to current students, attend short talks and tour our facilities.

Attend University Life sessions

Our University Life information sessions cover many topics from student finance to study abroad to student life.

Discover the Students' Union

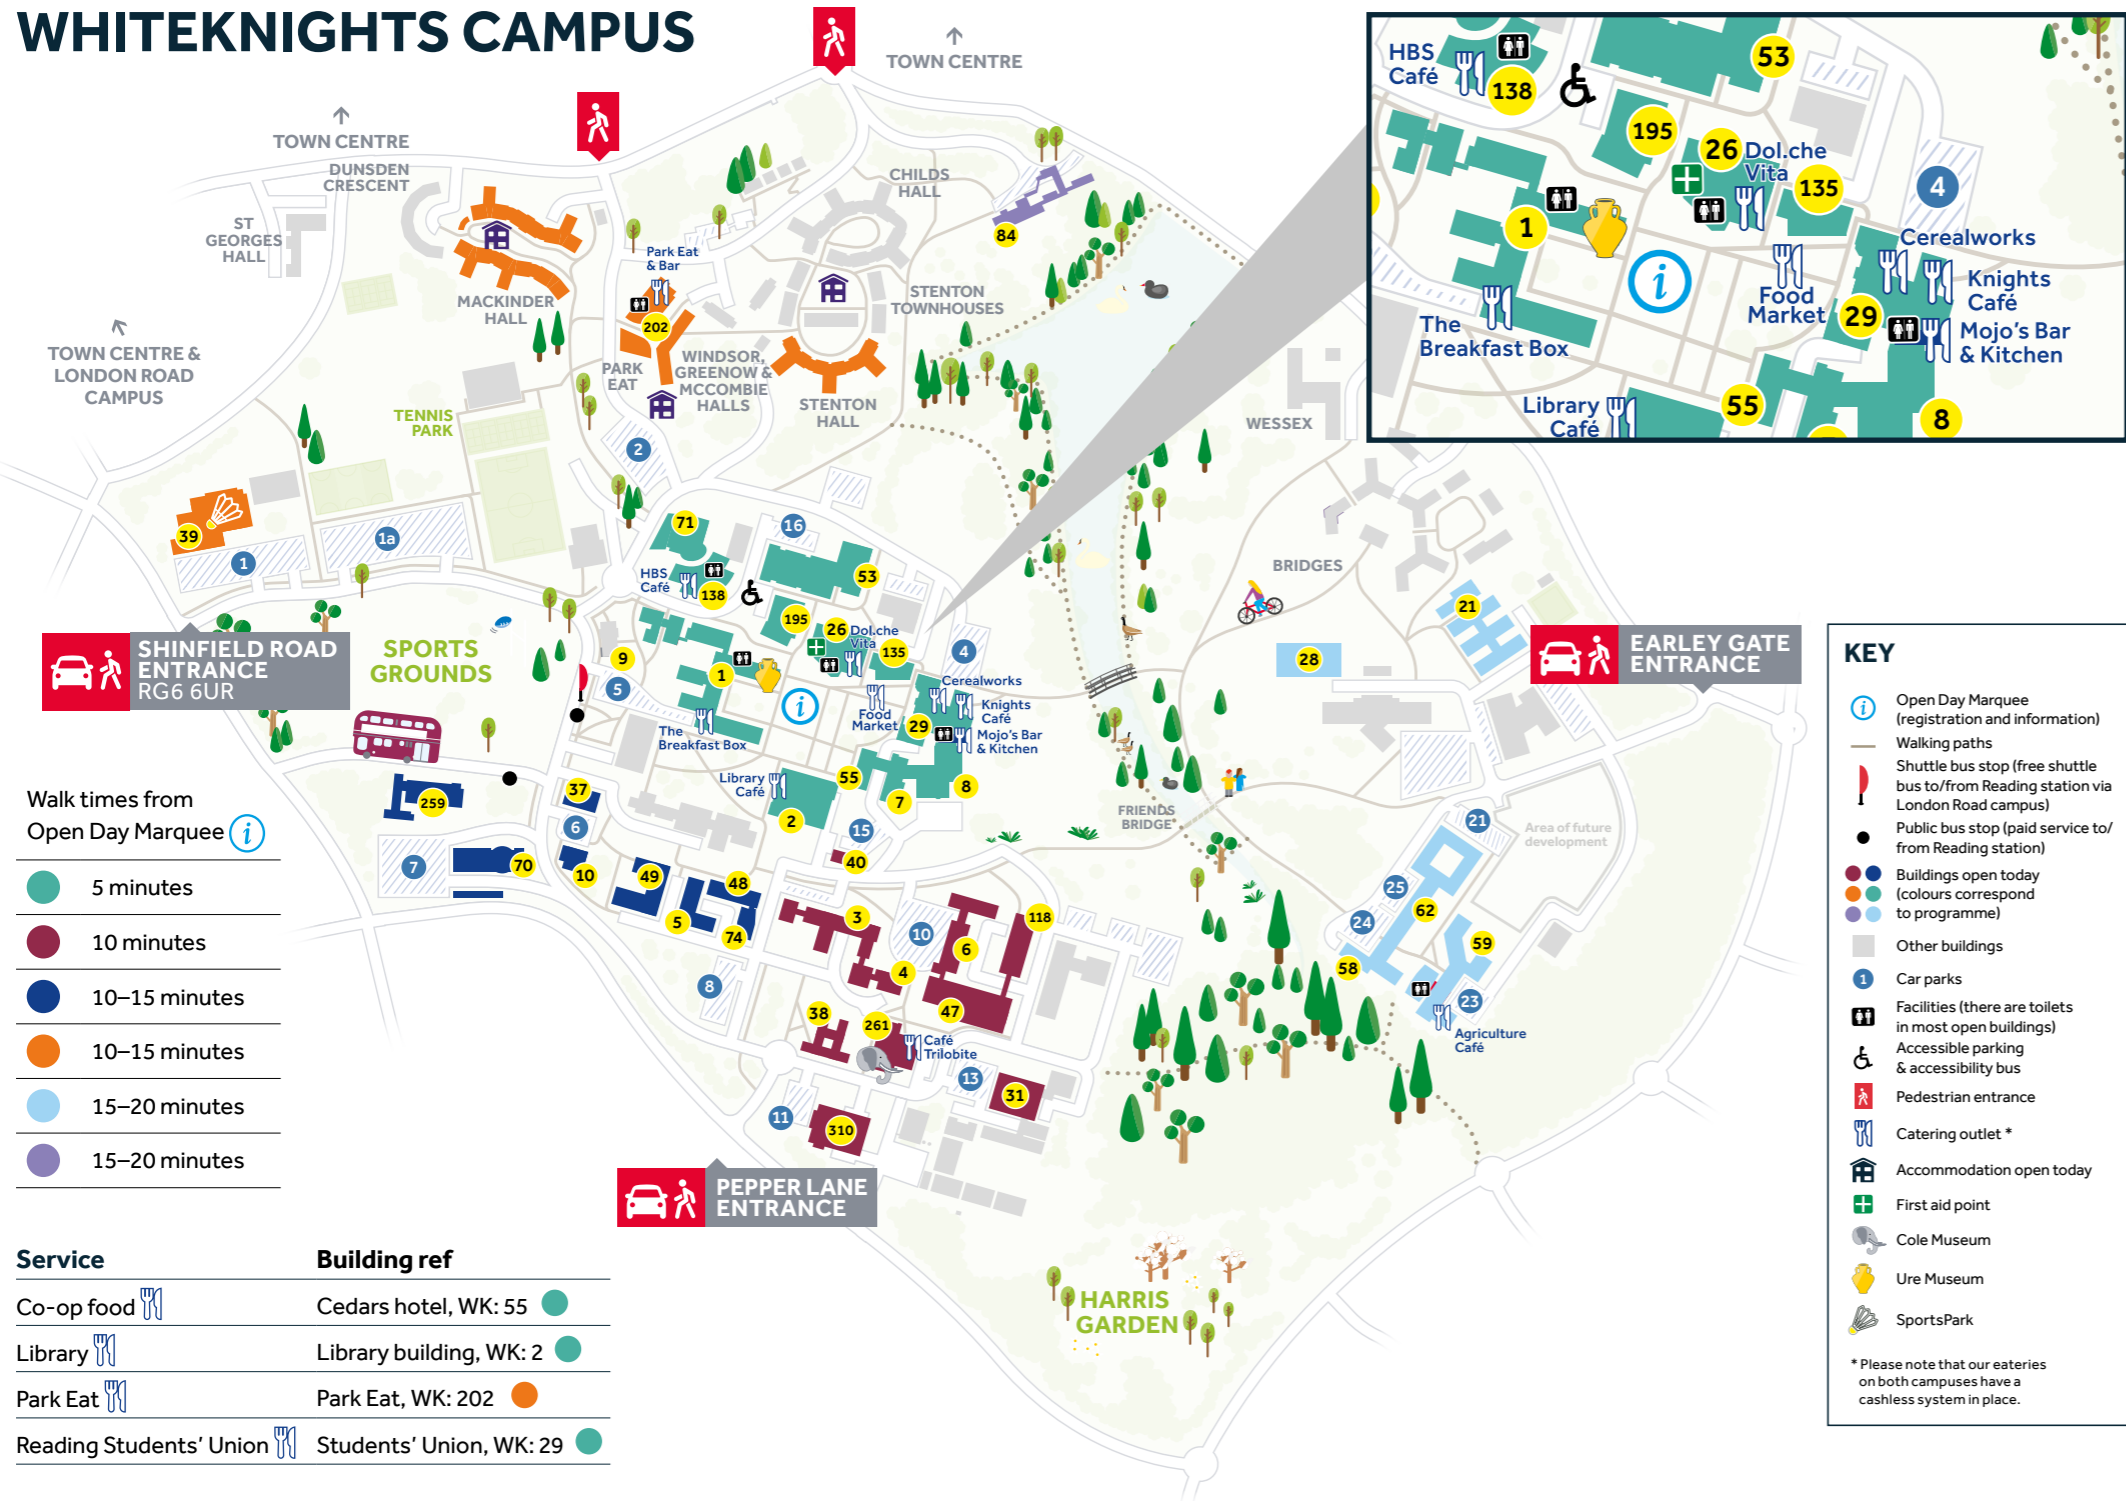

A visit to Reading University's SU (building 29, Whiteknights Campus) is a must on Open Days. You'll be able to take tours of the building, talk to our student representatives and explore the SU Marketplace where students will be showcasing the wide range of clubs and societies on offer.

Experience Student Accommodation

Our current students will take you on tours of different types of accommodation and we'll also have staff from our Accommodation Team on hand to help answer any questions you may have. It's a great chance to get a feel for what living on a campus university is really like! Tours run between 09:00–16:00.

WHITEKNIGHTS CAMPUS

University Life talks

- Accommodation and Meal Plans
- The applications process and writing your personal statement
- Careers and employability: Career development, from fresher to finalist
- Diversity and Inclusion
- Student finance and funding

PLACES TO EAT AND DRINK

There are plenty of places to eat and drink on campus, and today we invite you to eat for the price of a student with Clever Cuisine, the home of our university meal plans. Here at the University of Reading, we have revolutionised the traditional concept of university dining, so come into Eat at The Square and Park Eat to experience a taste of what you can look forward to each day. Don't forget to sign up to your meal plan, to ensure you make the best of your university experience.

Please note that our eateries on campus have a cashless system in place. They accept credit/debit card or Apple/Android payments for any amount.

Eateries

Catering outlet	Location	Opening hours
RUBagelMan	Building no. 29, Whiteknights campus ●	08:00–17:00
The Dairy	Building no. 14, London Road campus	08:00–23:00
Mojo's Bar and Kitchen	Building no. 29, Whiteknights campus ●	12:00–17:00
Park Eat & Bar	Building no. 202, Whiteknights campus ●	08:00–15:00

USEFUL INFORMATION

Looking for help?

Central team

Ask these students anything about our Open Day or about studying at Reading.

Departmental & subject-specific team

Ask these students about your subject. They will be looking after you when you visit departments.

Students' Union team

Ask these students all about the students' union

Accommodation team

Ask these students about what it's like to live in halls.

Blue:

Premium en-suite (self-catered)

Yellow:

Standard en-suite (self-catered)

White:

Standard en-suite (with meal plan)

Purple:

Shared bathroom (with meal plan)

PRACTICAL INFORMATION

First Aid

If you require emergency assistance at any time, please alert a member of staff or Open Day student guide who will be able to help. Alternatively, there is a first aid point located in the Palmer building, building no. 26, Whiteknights campus – marked with  on the map.

Accessible Bus service

If you or a member of your party need help getting around the Whiteknights campus, try our accessible bus service, the pick-up point for which is found in the car park between Henley Business School and Minghella Studios. If you need any assistance please ask at one of our information points in the Marquee.

Interested in Architecture, Education or Teaching?

Our historic London Road campus is home to our Architecture, Education and Teaching courses. You'll be able to drop into your department, meet academics and current students, and explore the buildings you'd be studying in. Make sure you also visit the Whiteknights campus to discover more about life at Reading, see our accommodation and find out about student life.

Although it's only a 20-minute walk away, a free shuttle bus is running 09:00–16:30 to and from the Whiteknights campus. You can catch the shuttle bus from the Acacia car park at London Road or just past the bus stop, marked  on the Whiteknights campus. See map for details.

Visit our Library

The Library offers a variety of study spaces and a huge range of digital and print resources. Each subject has an Academic Liaison Librarian to guide you to the best resources to support your studies and the Study Advice service can provide you with advice on improving your grades and approaching your first assignment.

Come and explore the Library and speak to students and staff on what the Library has to offer you.

UNIVERSITY LIFE TALKS

University life is about more than just study.

Our general information sessions include topics such as student life and living in halls. We also have talks on the application process and finance and funding to help you with the practical aspects of applying to university.

Use the coloured dots against each talk to find the corresponding building on the map.

Time(s)	Talks and Activities	Location	Map Ref: Building
09:15–09:45 12:00–12:30 13:15–13:45	Accommodation and Meal Plans Your home at university is a place to live, study and socialise. Come and find out about the wide range of accommodation and meal plan options available.	Palmer building, room G10	WK: 26 ●
12:30–13:00 14:15–14:45	The application process and writing your personal statement Not sure where to start with applying to university? Come along to this talk to find out how to make an application and what to include in your personal statement.	Edith Morley building, room G27	WK: 1 ●

11:15–11:45 13:15–13:45	Welcome to Reading Professor Robert Van de Noort, Vice-Chancellor presents his take on why Reading should be your top choice.	Edith Morley building, Van Emden lecture theatre	WK: 1 ●

September 2024 entry – Clearing and Confirmation Tour and Q&A

11:30–12:00, Library foyer WK: 2 ●

If you already have an offer to start a course with us in September 2024, or are considering applying to us through Clearing this summer, come along to this informal session to meet Admissions staff and see where our Clearing and Confirmation Call Centre will be based on Results Day.

SUBJECT ACTIVITY

Check out our subject hubs to learn lots more about the course you are interested in studying.

Our programme of activities, tours and talks, details of which can be found in this guide, will give you an introduction to what our different subject areas have to offer, as well as giving you the chance to ask any questions you might have to our academic staff and current students.

Use the coloured dots against each talk to find the corresponding building on the map.

Zoology – see page 15

HELPING THE PLANET

The University of Reading is well recognised for world-class research in climate change and its impact on the environment and society, and as a University we are committed to environmental sustainability. Our world-leading research, teaching, stewardship and outreach on climate change has been recognised with a prestigious Queen's Anniversary Prize and we won the inaugural Times Higher Education Award for Outstanding Contribution to Environmental Leadership.

We're ranked 1st in the 2023/24 People & Planet University League. We're committed to reaching net zero carbon by 2030 and our ambitious plan to reach this target was named as the best in the UK. We've already reduced our carbon footprint by more than 60% since 2009, 2% of our waste goes to landfill, and 100% of our electricity has come from renewable sources since 2009. And we're the first university in Europe to join the Menu of Change Universities Research Collaborative, which aims to provide healthy and sustainable meals on campus.

To lead change for the next generation, we're working with the UK government's Department for Education and others to improve climate education in schools and colleges. And our ambition is to empower all of our students with the skills and knowledge needed to help build a sustainable future.

It is by working together, harnessing our expertise, talent, commitment and diversity, that we can make a real difference – to become a true 'partner for the planet'.
